Whilst every effort has been made to ensure the material in this chart is accurate, Volkswagen Roadside Assistance cannot be held responsible for any subsequent changes.

1 Two warning triangles are compulsory in Cyprus and Turkey. In Macedonia two warning triangles are required when towing a trailer.

2 Warning triangles or hazard lights are acceptable in France, but motorists are strongly recommended to carry a warning triangle in their vehicle.

3 Where there is no figure shown there is no minimum age limit for a child in the front passenger seat.
